

RICHMOND TO HAMPTON ROADS PASSENGER RAIL STUDY PROJECT SUMMARY STATEMENT

The Virginia Department of Rail and Public Transportation intends to prepare an Environmental Impact Statement (EIS) for the Richmond to Hampton Roads High Speed Rail Corridor. The EIS will evaluate potential alternatives for higher-speed rail service in both the Richmond-Petersburg-South Hampton Roads Corridor and the existing Amtrak corridor from Richmond to Williamsburg to Newport News, providing rail connections to the Southeast, Northeast and Mid-Atlantic regions as part of the Southeast High Speed Rail (SEHSR) Corridor.
